That the motion to wind up Northern Auckland Free Kindergarten Association Incorporated t/a Kaitiaki Kindergartens and as per the current Constitution, transferring all property, assets and operating licences to Kindergartens Aotearoa – as one of the Foundation Members, **within 24 months of the 10th September 2020 to now read within 24 months of the 30th April 2022** be confirmed after a majority vote of members present.

Explanation

Due to the continuation of the Covid 19 pandemic beyond all expectations, it has been impossible to achieve the objectives of these remits within the timeframe agreed to before. The Board are still committed to furthering the Kindergarten movement into the future, and strongly believe that this is the only way forward to ensure that Kindergarten in New Zealand will continue on for our children's children. The timeframe change to the end of April is so that we have until the last possible day of the AGM 2024.
